The assessment/evaluation process may include, at the NC's discretion, reviewing the candidate's resume, curriculum vitae and other biographical information and confirming the candidate's qualifications as well as a formal or informal interview. The NC would also assess the proposed candidate based on the criteria as set out in section 2 above or any other criteria which the NC deems appropriate.

For an Independent Director position, additional assessment on independence based on Appendix I attached herewith would need to be carried out.

Upon completion of the assessment and evaluation of the proposed candidate, the NC would make its recommendation to the Board. Based on the recommendation of the NC, the Board would evaluate and decide on the appointment of the proposed candidate.

The Chairman of the Board would then make an invitation or offer to the proposed/potential candidate to join the board as a Director. The NC, in carrying out the annual assessment, should consider the Company's performance, the Board's performance as a whole and that of its individual directors. The NC should ensure that the annual assessment is being conducted effectively towards ensuring that the Board composition meets the needs of the Company.

Upon assessing the Board and Board Committee(s) in each financial year, the NC shall propose the relevant training requirements for the Board members in the next financial year.

## ASSESSMENT ON INDEPENDENCE OF DIRECTORS

### Annual Assessment

The NC will conduct an annual assessment on the independence of the Independence Directors of the Company based on the criteria set out in the Listing Requirements, MCCG 2012 and any other relevant rules and regulations. Each individual Independent Director would be required to make a declaration on the compliance of the criteria of Independent Director by completing the independence checklist as per Appendix I. All other Directors would be required to complete the Assessment Form - Independent Director as per Appendix II in order to assess the independence of the particular Independent Director.

### Independent Director who has served more than 9 years

An Independent Director who has served as a Board member for a term of more than nine (9) years (consecutively or cumulatively), shall be re-designated as Non-Independent Director, if he/she continues to serve as a Board member. If the company wishes to retain such Director as an Independent director, the Board is required to provide strong justifications to shareholders for their approval at a general meeting in order to do so.

### Assessment process of NC

The NC and Board, in its evaluation of the Independent Directors, must give effect to the spirit, intention and purpose of the definition of 'Independent Director' in the MMLR. If a person does fall within any of the paragraphs of the said definition, it does not mean that the person will automatically qualify to be an independent director. The director concerned as well as the board of directors of the Company must still apply the test of whether the said director is able to exercise independent judgment and act in the best interest of the Company.

Upon completion of the assessment process, the NC will make the necessary recommendations to the Board for final decision.

#### REVIEW OF POLICY

The Nomination Policy has been approved by the Board on 26 August 2016. The Policy on Nomination and Assessment Process of Board Members will be periodically reviewed and updated in accordance with the needs of the Company and any new regulations that may have an impact on the discharge of the Board's responsibilities.

At any one time, should the MMLR or the CA be amended for any reason whatsoever, the amendment of which affects the contents of this Policy, the amended Listing Requirements or CA shall take precedence over the policy.
